

## Peer review: An introduction for early-career researchers (Social Sciences and Humanities)

TARGET GROUP	Doctoral Researchers/Postdocs in the Humanities and Social Sciences 10 weeks before participating!	
TARGET	Peer review is a vital element of the scholarly system, central to academic publication, funding awards, institutional research assessment, and many conferences. This one-day introduction for early-career researchers covers the origins and purposes of peer review recent controversies surrounding the effectiveness of peer review and issues concerning anonymity and disclosure, reflection on what can be learned from your own experiences of receiving peer review, and the ethical issues involved.	
TOPICS	Participants will sharpen their critical skills through the critique of a sample article and conference abstracts, and learn how to phrase advice tactfully and constructively. The workshop ends with a review of recent developments and the future of peer review.	
TRAINER	Josie Dixon, Publishing and Research Training Consultant, <a href="http://www.lucianconsulting.com">www.lucianconsulting.com</a>	
VENUE	Max-Planck-Institut für ausländisches und internationales Strafrecht, Günterstalstr. 73, 79100 Freiburg <a href="http://www.mpicc.de">www.mpicc.de</a>
