|-------------------------------|--|--|
| TARGET GROUP | Postdocs in Humanities & Social Sciences | |
| TARGET | This workshop is designed for scholars in the humanities and social sciences wishing to break into English-language publishing in international peer-reviewed journals. It is designed to improve academic writing skills and to develop researchers' understanding of how to address an international audience and make a convincing scholarly argument. It includes discussion of how to choose a journal, editors' criteria, peer review, the production process (and implications for what to submit), and the afterlife of a journal article, focusing particularly on digital publication. | |
| TOPICS | Based on the inside knowledge of an experienced academic publisher, it is designed to develop essential skills in writing articles in order to increase researchers' chances of placing their work in premium scholarly journals, to the benefit of their academic profile and career prospects. | |
